Our team of friendly Green Doctors are energy efficiency experts offering free, impartial advice to help people take control of their bills and save energy in the home.

Green Doctor service

Groundwork's Green Doctors help residents stay warm, stay well, and save money on household bills.

A Green Doctor visit can help a household to:

- take control of their energy bills,
- provide practical solutions to reduce energy costs,
- support residents to use their heating system and controls efficiently,
- manage damp, mould and condensation,
- reduce energy usage and waste and more.

This can involve installing small measures to help save energy such as: LED lightbulbs/ Draft excluders/reflective radiator panels and provide Warm packs. As well as completing onward referrals so residents can access other appropriate services, such as grants for boilers & insulation and initiatives available to the residents.

Retrofit

For homeowners and private renters, our new Retrofit service is up and running. For those who have invalid/expired EPC's (energy performance certificates) we will carry out a **free** retrofit assessment in the home. Based on the results of the assessment, we will see if there is funding available for energy efficient measures.

This could include:

- Loft insulation
- Cavity walls
- Windows & doors
- Renewables (air and ground source heat pumps, solar and solar PV).

“Retrofit simply means adding something that was not originally present. In domestic retrofit this means insulation, ventilation and renewables that were not originally there when the property was built, to make the property more energy efficient. Groundwork Yorkshire aim to offer a complete service from advice right through to coordination of projects. “

Welcome to the Wakefield Recovery and Wellbeing College;

our growing, co-produced recovery college, covering the whole of the Wakefield District, from west to east, the five towns, the south east and much further beyond the district borders.

We'll be delivering courses as normal until the 10th December, but we will still be open until the 20th December (Monday to Friday, 8am-4pm service times).

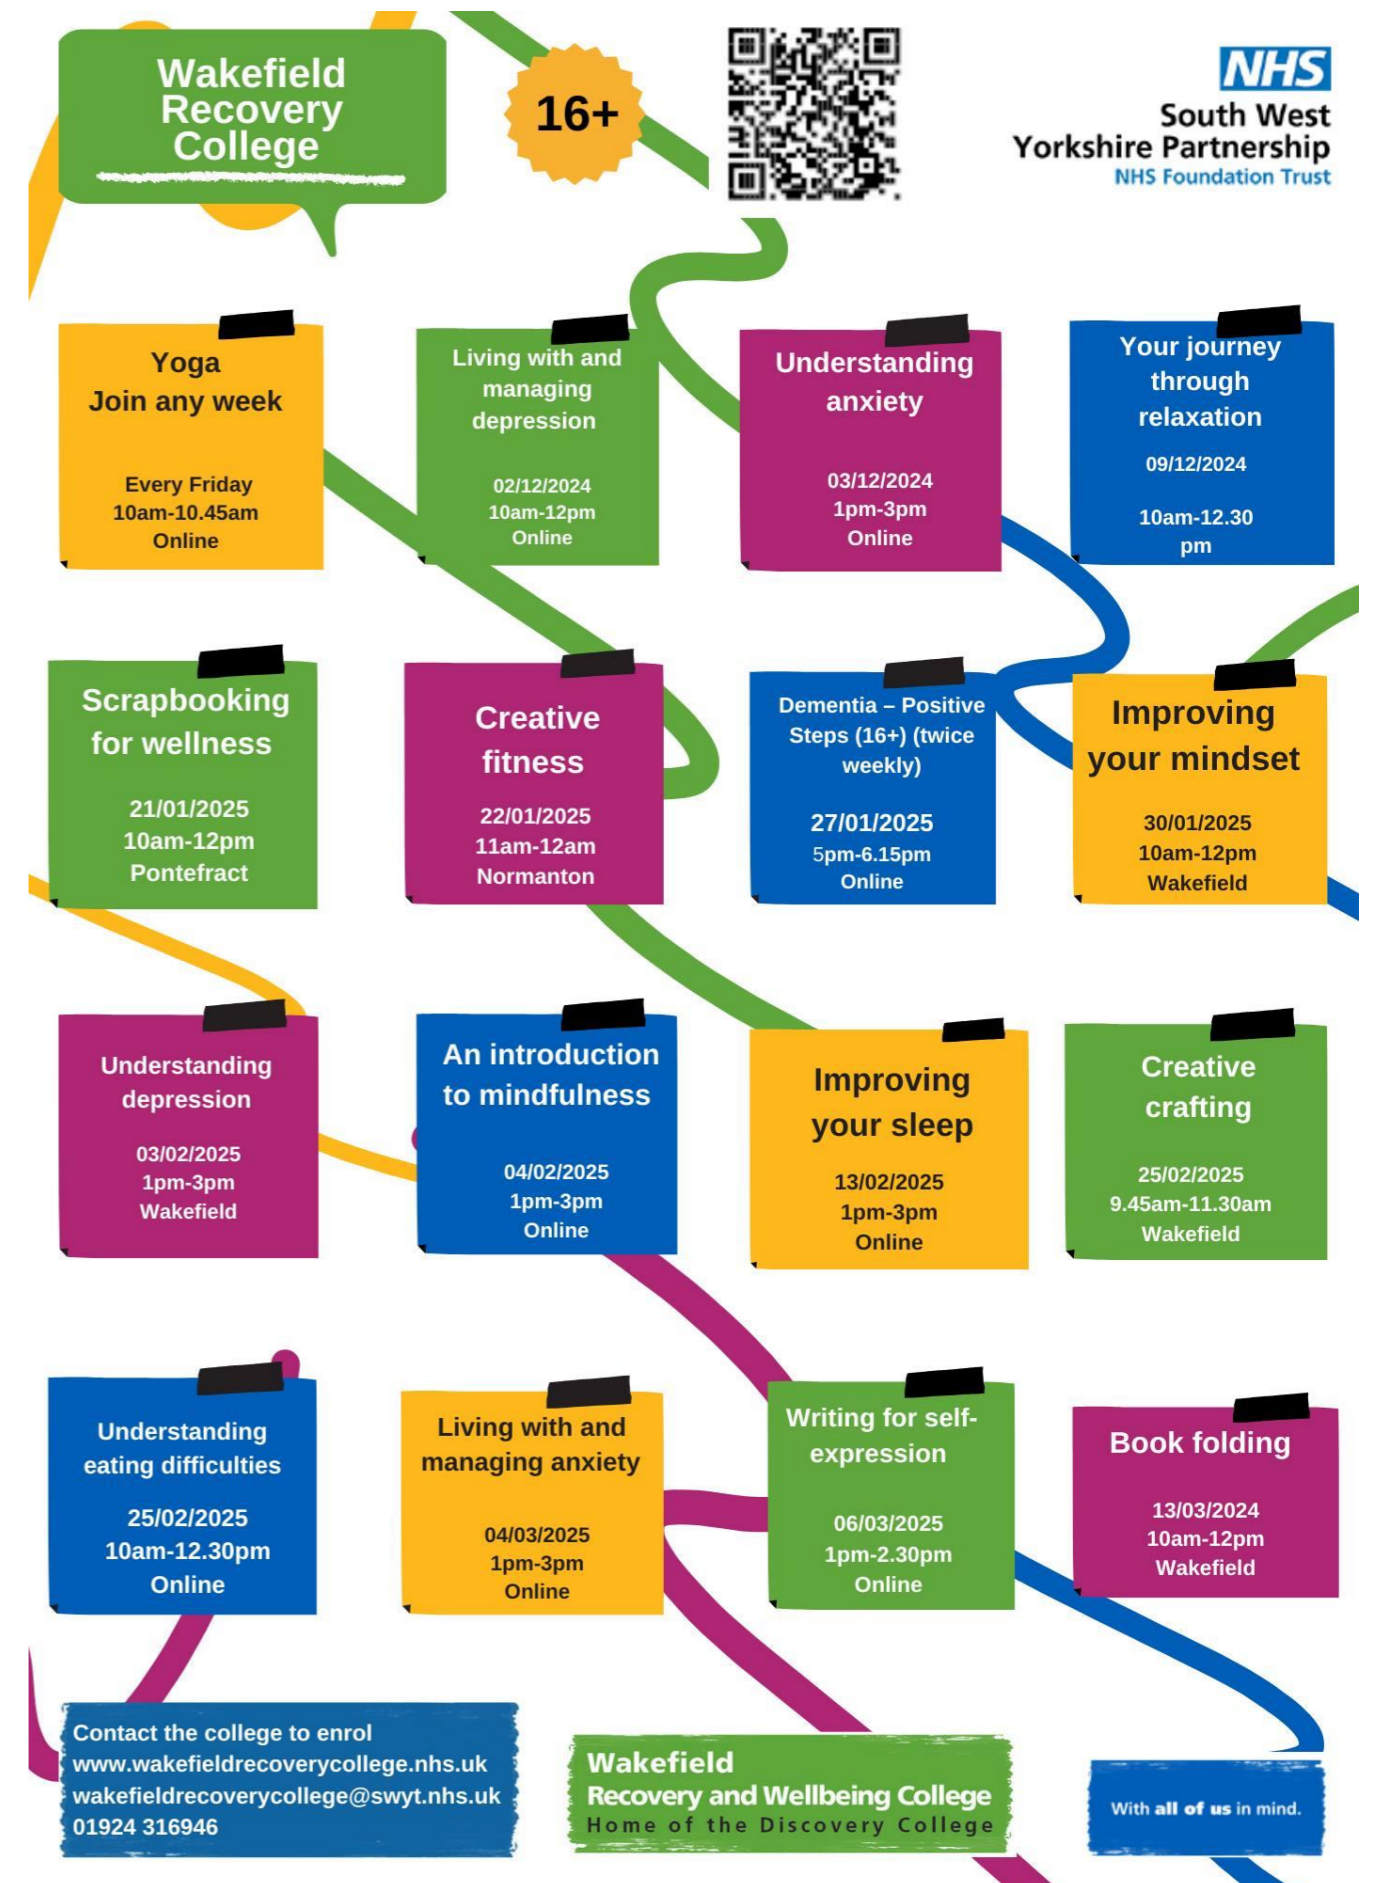

We'll then be closed to the public for two full weeks.

During the time the College is closed to the public, we will be doing our "Days of Christmas" series again on our social media platforms, giving people an activity a day to engage in and something to check in with daily. These will include things like mindfulness practices, craft activities, festive events to attend, etc.

Our website and resources pages have lots of self-help tools, videos and workbooks that people can always access, any time of day or night.

Second Chance Headway Centre supports people with Brain Injury and also their Carers and or Families.

We're here to help you begin your rehabilitation journey with therapy, advice and activities.

Our team can help you create your own personal improvement plan through a wide variety of support and assistance.

We're open Monday – Friday 9am -4pm.

We're open as normal over Christmas except Christmas Day, Boxing Day, and New Years Day when we will be closed.

Contact info:

Call 01924 366 735 or email rehab@schc.co.uk

Website is www.secondchancewakefield.com

We offer a range of therapy-led services with the aim of helping people with brain injury live better lives – not just through gaining or regaining skills and confidence, but also by providing a safe space where our members feel they can be themselves.

Our small, committed team all have lived experiences of brain injury, either through work or personal circumstances. We're proud of our interdisciplinary approach - by undertaking a holistic, person-centred assessment, tailored support plans can be delivered at home, in the community or at our centre.

Future SELPH provides targeted support to young people aged 16 to 25 experiencing difficulties with their mental and emotional wellbeing.

Funded by the NHS in Wakefield District and delivered by the voluntary community sector, the service supports young people at risk of “falling between the gaps” of statutory services, such as those on waiting lists for other services or at the early stages of social, emotional or mental health challenges.

Through prevention and early intervention, the service has supported over 700 young people to date since its pilot project back in 2021 and full launch in 2022.

The Future SELPH Service includes:

- The Youth Association,
- Smash Society,
- Rycroft Leisure and
- St Georges

where we all deliver the programme slightly differently. This information can be found on the combined Future SELPH Website under About Us. <https://www.futureseiph.co.uk/about-us/>

The Youth Association will be closed from Friday 20th December until Monday 6th January, we will continue to take referrals for Future SELPH, but these won't be actioned until our return on 06/01.

For other Future SELPH Service Closure times, feel free to contact- Nicola Malcolm for St George's closing times- nicola.malcolm@stgeorgeslupset.org.uk

Community

Care. Compassion. Community.

Criteria to access the community Wellbeing service:

Our Wellbeing Team provide support to anyone who is living with a Life Limiting Diagnosis, frailty conditions or experiencing isolation, or bereavements.

The offer extends to all people who are important to the person experiencing these life changing events.

We are here to support the Five Towns community but if in doubt contact us for a chat to see if we can help or link you to services that can.

ONE-TO-ONE OR SMALL GROUP SUPPORT

We offer a friendly listening ear with the experience to offer practical advice and support.

We support all those who meet our criteria and those important to them. This support can be face-to-face or by telephone, whichever suits you better. We offer late night appointments Monday-Friday for those who work.

COMPLEMENTARY THERAPY:

IS AVAILABLE EITHER INDIVIDUALLY OR AS PART OF A SMALL GROUP:

[Complementary therapy](#) sessions can help with relaxation and symptom management such as stress, poor sleep, anxiety and pain management. Our treatments should not be seen as a replacement for conventional medicines, but they can help to boost emotional wellbeing during difficult times. Booking is required.

ACCESSIBLE BATHING SERVICE (AT THE PRINCE OF WALES HOSPICE)

Enjoy a relaxing bathing experience where your privacy and dignity will be maintained.

Our experienced staff are on hand to assist with the various transfer equipment to enable this to be safe and accessible to all. The bath can be accessed via a tracking hoist, bath lift or independently.

CRAFT GROUP (AT THE PRINCE OF WALES HOSPICE)

FRIDAY 10.30 AM - 12.30 PM

Activities and craft therapies with an emphasis on enablement. Art can be a distraction from everyday life, it can be an escape from stress and overwhelming situations. Crafts and diversional therapies help to keep attention on the present and help to relax the body and mind. Producing something gives a sense of self-worth and achievement. We make art accessible to all people. Booking is required.

Help eligible older people claim pension credit for winter fuel payment

The Winter Fuel Payment is an annual payment to help eligible people with heating costs during the colder months.

For winter 2024/25, the government has introduced means-testing for this payment. To qualify, people must be of State Pension age, born before the qualifying date, and be receiving Pension Credit, Universal Credit, or other means-tested benefits. However, it's estimated that up to 850,000 eligible households are not claiming Pension Credit, leaving £1.7 billion in unclaimed benefits.

The deadline for submitting a backdated claim for Pension Credit to receive the Winter Fuel Payment is 21 December 2024.

Please encourage those who you care for and support that may be eligible to apply for Pension Credit so they can receive the Winter Fuel Payment this winter.

For more information on Pension Credit, eligibility, and how to claim, visit: <https://www.independentage.org/get-advice/money/benefits/pension-credit>

Grief support services for children and young people in the Wakefield District

Our vision is that all bereaved children and young people who live within the region will have access to the appropriate support they need to rebuild their lives when someone important to them has died.

We work proactively to support children, young people and their families when someone important has died, guiding them in their journey through grief and helping them to develop the necessary tools to be able to move forward in their lives.

A social group for vulnerable adults from the community and church members share friendship and fellowship with them. Saturday evening between 7.00pm and 8.30pm. The group provides an opportunity to chat and play games over a warm drink and cake.

Home Groups

Many people at St George's attend home groups. These meet in people's homes and offer time for to get to know each other over a cup of coffee. There are also discussions, generally based on the Bible.

Church services

The weekly services at St George's are on Sundays and Thursdays. Each Sunday morning there is a service at 10.45am. On a Thursday morning at 10:00am there is also a service of Holy Communion.

Healthwatch Wakefield: Your health and social care champion in Wakefield District

We make sure NHS and other decision makers hear your voice and use your feedback to improve care.

If you'd like to give feedback - positive or negative - about your experiences of health and social care in the Wakefield District, please get in touch. You can contact us on 01924787379, email at enquires@healthwatchwakefield.co.uk or visit our website: <https://www.healthwatchwakefield.co.uk/>.

We are also able to signpost you to relevant services in the area to help you find the right support.

We also host a monthly Mental Health Community Panel and we are always looking for new members to join. The panel is made up of people with lived experiences of mental health conditions, or caring for someone with a mental health condition, in Wakefield District. Our panel meetings are an opportunity to join a supportive team to give feedback on services, and to get involved in projects improving mental health services in the area. If you're interested in joining, please email ellie.beard@healthwatchwakefield.co.uk.
